Renew your SDDA Membership this Month!

The SDDA continues its commitment to reducing the output of paper and postal mailers in 2012. The 2012 membership drive will be conducted by email and phone again this year. Stakeholders will be receiving an email containing a database sheet to review and update as needed. Please notify us by email or FAX (540.851.4018) of any changes or additions required.

You may renew your membership by mail, drop off a check for membership dues (no application required!) to us at 110 W. The email will contain instructions and information about using PayPal. Please be on the lookout for your mailer and get back to us by **February 17, 2012**.

Members who have not provided email addresses will still receive a mailed version asking them to assist our efforts by responding digitally in the future.

Let's Talk About

Education Revolution

What do Entrepreneurs want to learn? How and from whom?

We hope you can join us for Education Revolution and bring your creative ideas and personal experience to the table.

Let's create a picture of what a valuable learning experience is for you ~ the entrepreneur. Let's work together to create a new model for interactive learning or peer-based discussion designed by YOU for your needs.

We hope to see you on Tuesday, February 8!
Everyone is welcome.
